Freedom Is Not Free

Row after row, across after cross in Arlington today sleep the brave souls who died for us. We forget, in pursuing our dreams, those young men and women who had their dreams too.

Let us remember, never forget, all those who gave all so that our land would remain free. Moreover, let us honor all vets who served to keep our home secure and in blessed liberty. Let us not forget the cost that freedom is not free.

MWRD President Spyropoulos and WWII Veteran Angelo Gianopulos

In honor of the upcoming Veterans Day Holiday, President Marianta Spyropoulos invited Mr. Angelo Gianopulos, a Cook County resident and WWII Veteran, to the Metropolitan Water Reclamation District’s (MWRD) November 1, 2019 Board Meeting. Mr. Gianopulos was given a resolution honoring his service to our country.

“I don’t know of another individual more deserving of our gratitude and respect. His sacrifice and the sacrifice of all our soldiers and veterans should be honored every day. Mr. Gianopulos is a piece of living history that stood before us today sharing his chilling stories of war, like the Invasion of Normandy and his time serving in General George Patton’s 3rd army. The emotion in his eyes is something I will always remember. It was an honor to meet him,” said MWRD President Spyropoulos.

The MWRD is an award-winning, special purpose government agency responsible for wastewater treatment and stormwater management. MWRD’s mission is to protect the health and safety of the public, the quality of the water supply source (Lake Michigan) and protect businesses and homes from flood damages.

Send Dear Santa Letters Now

Operation Santa is the largest free letter program in the country. This year the Operation Santa program will kick off on Monday, Dec. 3, at the Cardinal Collins Postal Facility at 433 W. Harrison St. In order to assist children in sending in their letters to Santa, the Postal Service will offer drop boxes at the Main Post Office, 333 W. Wacker Drive, and area postal facilities.

The Postal Service and its employees play important roles in communities around the nation and want to help fellow citizens, especially around the holiday season. This year, the Postal Service created the Operation Santa program to ensure that children can send their letters to Santa.

Every year thousands of people come in person to the Main Post Office in Chicago to adopt letters. Operation Santa is an annual letter-writing program through which members of the public respond to children’s letters addressed to Santa Claus, the North Pole and other seasonal characters. It’s a holiday tradition for many families, businesses and groups, as they share the spirit of the season in helping others with a holiday gift.

The Postal Service will make an effort to match the name and address of the child with a letter to Santa...
