Merry Hospital Letter to the Editor

As we prepared for Thanksgiving, for all of us at Mercy Hospital & Medical Center, our hearts were heavy. We mourned the loss of our friends, Dr. Tamarra O’Neal and pharmacy resident Dayna Loss, as well as other medical colleagues, who whose brave actions on November 19 helped ensure that our community was well-served. We, as individuals, were new to their careers and dedicated themselves to service in our communities.

As the first teaching hospital in Chicago, Mercy Hospital prides itself on educating countless clinicians, and we have learned and grown as clinical educators during this difficult time.

We wish to extend our support and our commitment to our community continues and we do so in memory of our beloved colleagues.

Alderman Thompson & The South Loop Chamber of Commerce welcomed My Baby Debut, the newest cutting edge technology, bringing unbeli-
vable images of your unborn baby to you. My Baby Debut, located at 3235 South Halsted Street, opened by two sisters, Tania & Kema Valles, whose mother owns the Mexican Restaurant next door!

The sisters lived in Bridgeport since 2005, and wanted to bring Bridgeport the magnificent and unique experiences to see your baby before birth and celebrate the miracle of life along the way. My Baby Debut offers the finest 3D/4D/HD prenatal elective ultrasound experience available. The path to launching their business was not easy. They firmly believe Bridgeport is a nest of hopes and dreams, with that in mind they bet everything and opened the first and only 3D/4D ultrasound studio in the south loop and surrounding area.
